2. On top of the page “**Please review errors**” message should be shown.
3. On click of **NEXT** button, if user filled all the required information then red borders and errors should go away and user should be able to see below popup.

# Front End Assignment

## Main Page with Popup

The screenshot shows the 'Account Registration' page on MEDLINE.COM. The page has a header with the Medline India logo and the text 'MEDLINE.COM'. Below the header, the title 'Account Registration' is displayed. The main section is titled 'USER INFORMATION' and contains several input fields: 'FIRST NAME\*', 'LAST NAME\*', 'PHONE\*', 'EXT', and 'EMAIL\*'. A green 'NEXT' button is located at the bottom right of the form. A white popup window titled 'User Information' is centered on the screen, displaying a success message: 'User has been created successfully with the below details'. The popup lists the following details: 'User Name: FirstName LastName', 'Phone: 999 999 9999', and 'Email: name@medline.com'. A green 'OK' button is at the bottom of the popup. The footer of the page contains the copyright notice: '©2019 Medline Industries, Inc. All rights reserved. Advancing the Health of Healthcare is a trademark and Medline is a registered trademark of Medline Industries, Inc.'

1. Popup should show the information filled by user on Main page.
2. On click of **OK** button user should be redirected to Thank you page.
